

***Remarks***

No claim amendments are sought. Amendments are sought to paragraph 0001 to update priority application data. None of the amendments add new matter. The amendment corrects a formal matter without changing the scope of the claims. Accordingly, Applicants respectfully request that this Amendment be entered.

***Discrepancy in Examiner's Statement of Office Action Date***

Applicants also note that the Examiner identifies an Office Action of June 17, 2010 on page 2 of the Notice of Allowability and the Interview Summary, although the correct Office Action date of June 21, 2010 is noted on page 1 of the Notice of Allowability. Applicants' representative has attempted to contact the Examiner regarding this inadvertent discrepancy, but has not received a clarification as of this Amendment. Applicants will assume the June 17, 2010 date was inadvertent, and that the Notice of Allowance supersedes the June 21, 2010 Office Action.

***Comments on Examiner's Statement of Reasons for Allowance***

Applicants thank the Examiner for indicating the allowability of claims 1-21 in the Notice of Allowance dated August 25, 2010. Applicants note the Examiner's Statement of Reasons for Allowance presented on page 4 of the Notice of Allowability. Applicants reserve the right to demonstrate claims 1-21 are allowable over the art made of record for further reasons related to any of their recited features. Applicants further contend that reservation of this right does not give rise to any implication regarding whether the Applicants agree with or acquiesces in the reasoning provided by the Examiner.

Reconsideration of this application and entry of the above Amendments are respectfully requested.

Respectfully submitted,
